urer of the State, to the Marine Hospital Association nation. of Wilmington, but being entirely inadequate for the object contemplated was judiciously invested, and organized and incorporated in 1835, and continued

its efforts from that period until 1849. The President of the Association in a letter dated other diseases which for the protection of the comracity, when, as they state, "there were not enough whole community have been aroused from the knowledge of great sufferings in the several cases alluded to ascertain whether the Hospital money received at thirty years or upward, preceding the said lations of the Department." The Secretary of the Treasury answered as follows, "as the disbursements in all the ports of North Carolina are nearly double the amount collected therein, I cannot sanction any arrangement, which will in that State add to the present charges upon the fund, but must adhere to the existing regulations, unless Congress shall deis earnestly hoped they will do." To this it was replied in a letter to the Hon. J. J. McKay, dated Jan. credit for over \$3000 of balances sent away in the last ten years, and added to the general fund, and that its hospital receipts had exceeded the expendi-

tures from the beginning until that time." In a memorial to Congress of the Marine Hospital Association, of the same date, an earnest appeal is made for aid " to place the establishment of the Asach, and to relieve the distress and bad feeling from eating sociation upon a respectable and permanent footing' and the memorial says, "if the distressed situation of sick seamen in this port, during the past season, effectual aid surely would not be withheld-it is obvious where there is no hospital, and vessels have to be quarantined, with their sick seamen on board, commerce must be greatly trammelled, and the sick exprevious year the Legislature of North Carolana acknowledging again the insufficiency of the provision made by the Government, "and to assist the Marine Hospital Association of Wilmington, more effectually to accomplish its benevolent object," revised the act of 1817, but this act not having been ratified by Congress, up to Jan., 1837, the managers of the Association then addressed the Hon. R. Strange on the subject, stating that before this hospital was established in cases of small pox and other contagious diseases, sick seamen were not suffered to be landed, but sent down to Buzzard's Bay, out of reach," we suppose, as stated in another communication, of nursing and medical attendance, "and there suffered unto death on board their vessels"-that the Association indulged the hope that as individual munificence had IN PILES-that common and annoying disease-it never done so much they could not fail to secure the co-operation of the Government in so benevolent a workthat the practice of sending away the surplus money of this port at the end of each quarter left a number and entirely dependent on the resources of the Association—that their funds were wholly inadequate to the work and without aid they could do no ... ore."-They desired that the Government would take the establishment and carry it on, so as to answer all the purposes contemplated, or make an appropriation of eight or ten thousand dollars for the use of said Corporation, or authorize the application of the hospital Senator promptly answered stating "that on the Dear Sir :- I feel it to be my duty to say a word upon the 20th Jan., 1836, a Bill was reported by the Committee would continue their attention to the subject, and that he sincerely hoped in some way to meet the

But the Government positively refused to extend aid in any way, notwithstanding that the Constitution of the Association, and the character of the Board of Managers afforded a sufficient guaranty for a judicious appropriation of any amount of funds which might have been placed at their disposal, for the benefit of " sick and disabled seamen " " And thus for the present," says the Record of the Association, "ends the hope so long and ardently desired of providing the funds necessary for a suitable hospital establishment. And thus the rights and interests of thousands on thousands of self-sacrificing and suffering men were disregarded, and thus the death wail of the unsheltered, uncared for, may still roll on. far and wide, the ingratitude, inhumanity, and in- is this:justice of the Government.
